Sub: Letter of informing the institution the result of campus interview

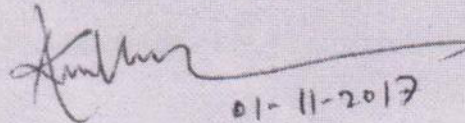

Dear sir,

We are pleased to inform you that we appoint Mr. Amit Biswas as an apprentice in our company. After a six months training we confirm him in our factory.

We also need an electrician and a welder for our factory. We therefore request you to arrange another interview from electrical department and welding department so that we can fulfill our requirement.

If you kindly do this favour we shall be grateful to you.

Yours sincerely
